

Nanik Rupani Resigns as Chairman of Enkay Technologies.

Very few people are destined to fulfill their dream. Nanik Rupani is one of them who through his Priyadarshni Academy has not only won laurels within the country but from all over the globe. Now with Priyadarshni on the verge of entering its 25th year Rupani with a view to devote more time to the diverse activities of Priyadarshni Academy, recently announced that he has relinquished his position as Chairman of Enkay Technologies (India) Pvt. Ltd. "The Academy has been, not just my dream, but also that of several others who have nurtured it through thick and thin. I am happy to now have the opportunity to engage the

Academy more actively in the fulfillment of its objectives," said Rupani.

Mr. Rupani will continue to be the Chairman of Neutron Electronic Systems Pvt. Ltd, which has been the pioneer in providing enterprise telecom solutions such as video/audio conferencing, boardroom design and implementation, telephony systems, etc. He is also associated with various associations of industry, chambers of commerce, and educational boards through which he continues to take up issues like Mumbai development, protection of the environment, promotion of trade, etc.
