Dear Shri Nanik Rupani,

This is with reference to the key telephone system that is installed by MELTRON, at my residence "MATOSHRI".

I would like to express my thorough disappointment to the services provided by MELTRON, and I am absolutely fed up with them. I desire to immediately replace the entire MELTRON system, and install the system provided by NITSUKO-ENKAY.

I am sure you will take all necessary action immediately in this regard.

Yours sincerely,
